Returns From Last Tuesday's Elections.

The election returns from the various states, come in very meagre, but sufficient have been received to indicate the election of Wm. McKinley to the governorship of Ohio by 15,000 or 20,000, and will be supported by a Republican legislature, which secures the election of John Sherman to the senate.

publican ticket by a large majority, over the combined forces of Democracy and Holt, were visiting in Oregon, this week. Alliance.

Sicket. the whole the Republicans have such to be proud of, as the most strenuous efforts were made to defeat the

author of the present tarif bill, and the victory in Ohio, the only state upon which the battle was fought upon thpresidential lines, will be bailed with delight by the friends of protection, sound money and reciprocity.

### Harrison's Stand.

New York, October 31.- A Washington special says that at yesterday's Cabinet meeting President Harrison insisted on an immediate conclusion of the Chilam negotiations, and laid before the Cabi settlement of the difficulty.

The President declared that before be would submit to the humiliation of a free Marte, living about ax miles north Minister's recall under the circumstanoes he would prefer to abandon his office. last Wednesday; loss about \$600. Cause The result of the meeting was a cablegram instructing Minister Egan to insist on an immediate reply to our last note and to inform Chili that delay

The same dispatch says that a communication was received from Minister Egan indicating no abatement of the ill-feeling toward this Government and reporting that his efforts to hasten the week or so ago said in a speech that investigation have been fruitless, and he does not think the Junta is disposed to give satisfaction. He has prepared to leave the country and thinks his retirement was he would be a superscript the superscript the superscript that the superscript the superscript the superscript that the superscript the superscript the superscript that the superscript the superscript that the superscri tirement may be essential for the pres- every three days.
